

# 2001: *SITES* *Worth Visiting*

**Check out these other-worldly websites\* related to the film 2001: A Space Odyssey.**

**The 2001 Principle** attempts a thorough explanation of the movie's enigmatic plot. Check it out - think you could do better? [www.2001principle.net](http://www.2001principle.net)

**2001: A Space Odyssey 3D Modeling Archive** is the hangout of a professional computer artist, who showcases his own and others' digital recreations of 2001 spacecraft. *Included:* moonbus, space pod, satellites, Space Station V, Orion III Spaceplane, USS Discovery. [www.strafe.com/2001](http://www.strafe.com/2001)

**2001: A Space Odyssey** shares excerpts from the *MAD Magazine* parody "201 Minutes of a Space Idiocy" ("Boy, that's a Black Monolith if ever I saw a Black Monolith!"). Click on "parody."  
<http://pages.prodigy.com/kubrick/kub2001.htm>

**The 2001 Internet Resource Archive** offers sound bytes, links, and a message board - plus pictures and multimedia from the movie. It's worth a visit just to hear HAL singing the last, plaintive strains of "Daisy, Daisy."

**One-Minute Movie Review** of 2001 comes to you courtesy of Roger Ebert and the *Chicago Sun-Times*. Helps you decide if you *really* want to rent that video again.  
[www.suntimes.com/ebert/greatmovies/space\\_odyssey.html](http://www.suntimes.com/ebert/greatmovies/space_odyssey.html)

**2001: A Space Odyssey** in Virtual Reality lets you take the cockpit of the Orion III as you rendezvous with Space Station V. Or use it to click open the doors to the Discovery spaceship ("Open the pod bay doors, HAL."). The site uses models created in VRML (Virtual Reality Modeling Language); requires a VRML plug-in, downloadable for free. <http://members.aol.com/Alprojects/2001>

**2001: A Space Odyssey-the Web Site** has it all: free 2001 videos, sounds, pictures, quotes, downloads, and links - plus a film review and a 2001 forum. Pay a visit to the 2001 online store to order the (not for free) video, soundtracks, posters, or books. [www.sciflicks.com/2001](http://www.sciflicks.com/2001)

**The Kubrick Multimedia Film Guide** displays a wide variety of 2001 movie posters from the US and around the world. This site for Stanley Kubrick fans features images and sounds not just from 2001, but also from *A Clockwork Orange*, *Barry Lyndon*, *The Shining*, *Eyes Wide Shut*, *Dr. Strangelove*, and others.
